A Message from the Harvest Pointe Board Members:

As many of you already know, a tragic incident occurred in our subdivision last month, which resulted in the death of an adult and minor. This is the first time something like this has ever happened in the Harvest Pointe community and we want to encourage everyone to be respectful and compassionate.

The last two years have been stressful on everyone, as the effects of COVID-19 have resulted in unemployment, illness, and even death. As a result of the social distancing mandates, people are home for extended times; which can result in conflicts and/or misunderstandings. As a result, we urge everyone to consider this before speculating on the tragic event that took place in our community. We also ask, please be mindful of the comments you post on social media (i.e., Facebook, Next Door, Instagram, etc.) regarding tragic events, such as this. Let's remember, a mother and father has lost a son and grandson. And, although this tragic event took place in our neighborhood, please know it could happen anywhere.

So, whether you have lived here as a home owner for twenty years or as a renter for one, thank you for being a part of the Harvest Pointe family.

Respectfully,

The Harvest Pointe HOA Board of Directors

Harvest Pointe HOA Meeting

The next Harvest Pointe HOA meeting will be held on **Thursday, March 18th @ 7:00 PM**. We encourage all Harvest Pointe residents to attend to be updated on what's going on in the neighborhood. Please note, this meeting will take place via teleconferencing. The details are as follows:

Dial-in Number: (701) 802-5105

When prompted, enter access code: 5532825, followed by the hash (#) key.

Overflow Parking

Are you planning a gathering and need additional parking spaces for an event? Planning on having friends/family visit for the week (end) and need to accommodate more vehicles? If so, we ask that you notify Gregg Shafer @ 770-803-0013 or via email @ greggshafer@yahoo.com, so that she can direct you to utilizing the HP Overflow Parking by the Clubhouse. In addition, she ensures that the vehicles utilizing the parking facilities are for the Harvest Pointe neighborhood and not unknown visitors taking advantage of our overflow parking facilities.

Let's Slow Down! Don't Be a Speeder! Be A Leader!

We are experiencing a number of drivers who continue to speed far in excess of the limits. The maximum legal speed on our residential streets, is 25 mph (unless posted otherwise). We ask that you drive 25 mph or less; which will give yourself more time to react to the unexpected. Do not rush! We encourage you to leave a few minutes earlier, to give yourself plenty of time to reach your destination. If we can all learn to respect the speed limits on our roads, hopefully, we can make them a safer place for our children, pets and neighbors.

New Residents

Are you new to the Harvest Pointe neighborhood? If so, we would like to give you a welcome basket. If you moved into the community during 2020-21 and did not receive a welcome basket, please email the Hospitality Chair, Steve Richardson @ srichard74@yahoo.com.

Class of 2021

Do you have a youth, residing in Harvest Pointe, graduating from elementary, middle school, high school or college? If so, we want to recognize them in the June newsletter. If you are interested in us highlighting your child(ren), please send an email to mthomas2ga@gmail.com with the following information:

Elementary and middle school: Name, grade, and school they will be going to

High School: Name, current high school and college/military (if applicable) they will be attending

College/Military: Name, college graduating from and degree (if applicable)

All submissions are needed **no later than May 15th**. Please include in subject line: **Harvest Pointe Graduate**
